

## **Minutes for the April 18, 2006 Pastoral Council Meeting**

**Father opened the meeting with prayer.**

**Those present were: Father Seigel, Richard Stading, Laura Phelan, Bob Hewlett, John Cieslica, John Noyes, Jill Hansen, Sharon Schreier and Betty Burke.**

**Father asked if anyone had any objection to our church hosting A.A. meetings on Saturday mornings. It was agreed that this would be a very good community event. Everyone was in favor of it.**

**Bob reported on the progress of the basement remodeling and all is going well. It is their goal to have it completed by the middle of May. It was delayed because more trim had to be ordered and made. It was also discussed that no one is to open the folding doors except Butch Eide. A 24 hour notice is to be given if any organization wants them opened and it will be ready for them. We ask that all persons contact the office and ask for this help, as a special tool is needed to open them to prevent damage to them.**

**Father asked for names of people the council members thought would be prospects to serve on the sub-committee for looking into the handicapped accessibility project for our church. It was also decided to ask for volunteers and opinions from the entire parish.**

**Jill talked about getting a large dumpster for the garbage instead of so many small ones. This was tabled until we could get our lot and driveway checked to see if they could support the trucks coming on it to pickup without damaging the blacktop.**

**Father is checking into getting bids to get tuck pointing done on the church.**

**Bob is in the process of getting bids to repair the garage roof. He has two and is waiting for the third.**

**Father said he has hired Alaisa Emmens to be the new Religious Education Coordinator.**

**Plans are made and we are collecting items for the garage sale to be held at the church. The sale will be June 8-9-and 10<sup>th</sup>. There will be an appeal for items in the bulletin.**

**The next meeting will be May 24, 2006 at 7:00 PM.**

**The closing prayer was led by Father.**

**Meeting was adjourned.**

**Recording Secretary, Betty Burke**
