

Minutes for the September 19, 2006 Pastoral Council Meeting

Father opened the meeting with prayer, which we all participated in.

Those present were: Father Seigel, Bob Hewlett, John Cieslica, Jill Hansen, Sharon Schreier, Tina Kuhn and Betty Burke.

Because of the resignation of Dick Stading, we needed a new chairperson and Bob Hewlett volunteered for this position starting immediately

Father asked all the members present to read the stewardship document he passed out and we will discuss it next meeting.

Bob reported on the progress of the basement remodeling and all is going well. He said the doors are in and they will soon have the painting done and they will get the shelves in.

The sub-committee for the handicapped accessibility is still in the process of doing more research this.

Father is getting a sub-committee together to look into and research getting a crucifix for the interior of our church. He asked for a volunteer from the council to be on this committee and Sharon Schreier volunteered. Because she will be gone most of the winter, Betty Burke also volunteered to help.

Father also brought up the idea of having a locksmith come to look into getting all the doors in our complex rekeyed. This is to eliminate the need to have so many keys and to get more control as to who would have them.

It was discussed about having the outside and the interior bricks of the building acid washed. Bob Hewlett will look into getting someone to look at them and get an estimate.

The next meeting will be Thursday, October 26,2006 at 7:00 PM.

The closing prayer was led by Father.

Meeting was adjourned.
