

Minutes for the March 29, 2007 Pastoral Council Meeting

Father opened the meeting with prayer and meditation.

Those present were: Father Seigel, Bob Hewlett, John Cieslica, Jill Hansen, Lisa Kuhn, Kent Strohmaier and Betty Burke.

Jill gave a report from the Finance Council.

Father said he has gotten good feedback from our parishioners about the State of our parish presentation. He said this may become an annual event. He said the repairs and refinishing of the church ceiling is complete. He also reported that while doing these repairs the men got some of the product on the fire alarms and they were activated. The alarm company was called out to check them and some will have to be replaced due to the spray that was gotten on them. Father also said that we will try to get reimbursed for that expense.

Kent Strohmaier was present and presented the plans for the elevator and handicapped accessibility entrance that that committee has agreed on. It was the consensus of the parish council that we should agree with that committee after looking at all the options. Those plans will now be presented to the finance committee and then to any interested parishioners.

Father presented the plans from the crucifix committee for the installation of the crucifix. The council agreed to those plans.

The meeting was closed with a prayer led by Father Seigel.

The next meeting is scheduled for May 3, 2007 at 7PM.
